Empire House gets even bigger

Too high
Too dense
Poor design quality

Three NEW HIGH-RISE blocks planned for Chiswick Centre

TWO NEW TOWER BLOCKS behind: 7 & 8 storeys

New plans have even less (!) architectural merit

Existing tower to be HIGHER and WIDER

Adding 3 storey entrance down to the street (not pretty!)

137 new dwellings

NO info provided about affordable housing

NO new amenities - **NO** green space

Chiswick deserves better!
